

# THIRTEENTH WESTERN PENNSYLVANIA HANDBELL FESTIVAL

## Frequently Asked Questions

### **WHY SHOULD I BRING MY CHOIR TO A HANDBELL FESTIVAL?**

Coming to a handbell festival is a wonderful way to play with other handbell musicians, work with Timothy H. Waugh, a nationally known Handbell Clinician, and learn more about the music and techniques that enhance our ability to create wonderful handbell experiences for both ringers and listeners. Plus, you will have lots of fun!

### **WHY SHOULD I REGISTER MY CHOIR FOR THE WPA HANDBELL FESTIVAL BY JANUARY 31<sup>ST</sup>, 2013?**

You should register early to take advantage of the \$75/choir Early-Bird discounted Registration Fee (a \$15 savings) and to ensure that your choir is able to attend the 2013 WPA Festival. Space in RMU's John Jay Center Gymnasium is limited; last year's registration was close to the gym's capacity. You don't want to miss out! We will of course accept registrations until the March deadline, as long as we have space available.

### **WHAT IF MY WHOLE CHOIR CANNOT COME?**

You can register for the festival as a partial choir or as an individual (\$15). If attending as a partial choir, just let our Festival Registrar, Cynthia Donahoe, know the number of feet required by your group on the ringing floor. Additionally, let Cynthia know if you will have unassigned bell positions during the festival; these may be filled by those registering as individuals or by members of the Three Rivers Ringers. Individuals may pool together and register as a partial choir or opt to be assigned a spot with another choir.

### **WILL WE NEED TO BRING TABLES AND PADS?**

Once again, we are offering to provide tables **free of charge** to those groups opting not to transport their own tables. Just indicate the total number of feet needed on the WPA Registration Form. **You will need to provide your own pads and table covers (if you use them).**

### **WHY CAN WE ONLY SIGN UP FOR ONE CLASS THIS YEAR?**

We are very excited to announce that our guest clinician, Timothy H. Waugh, has offered to conduct a Eurhythmics class for all of this year's festival attendees! Get ready to explore ringing techniques and rhythms through your feet and body! The

festival attendees will be divided into two groups; you will attend Tim's class during one class session and your requested individual class during the other. Individual choirs will be assigned to the same session of Tim's class so that you can work together as a group. Class assignments and tickets will be included in the WPA Registration Package distributed to each choir upon arrival at the festival.
